ABOUT ME

I am creative, artistic and ambitious graphics and motion designer with solid knowledge of digital design.

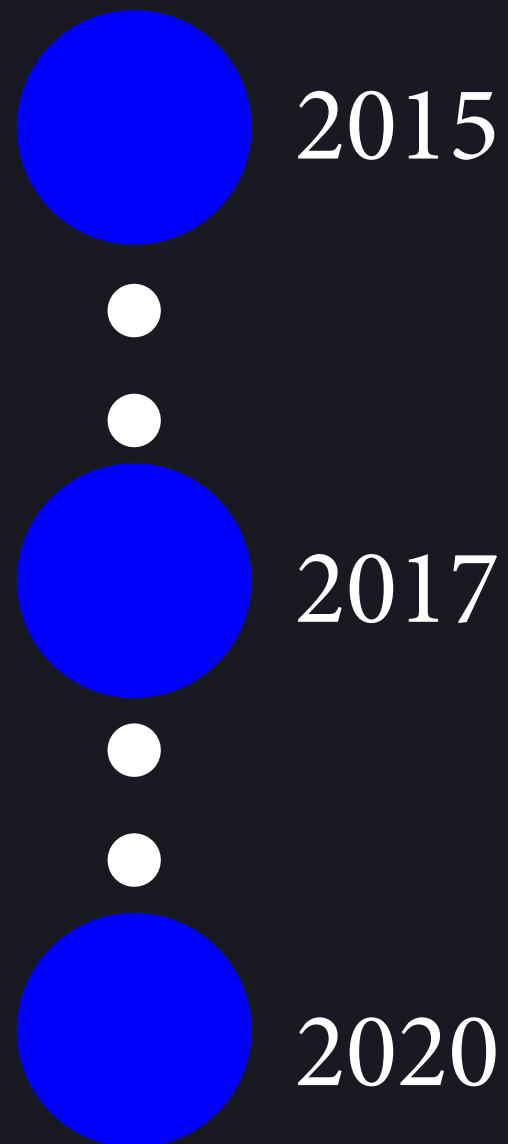

I always try to solve problems with the help of my design knowledge and skills.

I love motion design and learning new things about it, I always try to gain more knowledge of motion design.

I learn things quickly and love to tackle new challenges.

person with possitive attitude and mindset.
loyal,hardworking and promising person

EXPERIENCE

Fresher,

Looking for an opportunity to prove myself.

I did some personal project but never worked for real client or projects.

I am willing to learn more and work on real world projects
