

Pronoy Basu

B.A./B.Sc. Student Of Psychology

I have had 5 years of psychological study behind me and aim to pursue it in the following years. I have been commended for my critical thinking and reason-abled judgement in several work settings in the past. Aside from Psychology related fields, I have held content writing and editing jobs with TrueEditor in the past, and worked in self-sustained communities in Sadhana Forest and Auroville. I have conducted several psychological assessments for my case studies in the last 6 years. as a result of my course requirements. I received commendations for most. I am goal-oriented, organised and efficient at doing my assigned duties, and have handled managerial positions and minor leadership roles in previous work scenarios. I am decisive, hardworking and dedicated at my tasks.

Work History

2017-08 -
Current

Psychology Student

Symbiosis School For Liberal Arts, Pune, Maharashtra

- Utilised formal and established testing protocols to evaluate educational, emotional and behavioural needs of students
- Met with students to conduct individual assessments and determine academic and mental health needs
- Worked in self-sustaining reforestation communities contributing to local food security and water conservation. (Sadhana Forest)
- Conducted exhaustive research on themes of Depression, Happiness, Efficiency, GAD, and stress by administering both quantitative and qualitative assessments to samples. These involved lengthy questionnaires, interviews, focus groups
- Worked on multiple case studies on samples assessing intelligence, stress levels, job satisfaction and efficiency
- Worked in community settings doing physical labour in service for the community for long hours every day. (Auroville)
