

HOME PAGE:

The newest Student-run internship platform.

“Internships of the students, set up by the students for the students.”

- By our content writer at some point probably.

Why Internstorm?

We'll do you one better, why not?

We're right here catering to almost all your internship needs and who better to understand you other than us, students who have been through the same hurdles, doubts, questions and scams!

Browse through Specialisations!

Colleges and their compulsory internships period can be stressful when you don't even know where to begin from. Don't worry though, we've solved that problem with ease, find internships hand-crafted just for your majors, and be it English, Psychology, Marketing, you name it! We've got you covered!

Our story:

➤ Who we are

A bunch of fun people, really.

We're students who sparked the idea over chai and charcha! Who better to understand a student's internship needs better than one of them, eh? People who have excessive validation needs, amazing ideas and never ending recommendations to series, movies, books, clubs and more!

Why trust us despite all this? We're your best shot at landing your dream internship while enjoying the entire process as if it were cake walk!

Pssst, come over to our side, we have cake. :)

➤ What we do

If you're a student, we bring you the hottest and most awaited opportunities, always wanted to volunteer at an event or festival, believed that you'd be working alongside experts and not only gain experience but also network, or better yet wanted to cover that dream shot for your resume? Well, all of it is just a click away.

If you're a firm, we bring you the best in their game, dedicated and talented candidates for you to further choose from. It's a win-win, so what's stopping you?

Join the revolution

➤ Are you a company?

If you're a company, we're here to bring you the best of the lot selected carefully from the herd to fit your requirements and requests. What better than to sit and sip on your coffee looking over bigger worries that need to be taken care while we make work easier for you by bringing top-notch candidate.

We agree, it's a hard to pass off on offer, right?

➤ Are you a student?

Well, we indeed are your saviours in disguise! Bringing you opportunities and varies ones at that to choose from, you can official forget what "settling for" means! With internships crafted just to your liking and need, you can say goodbye to scams and compromises. We wouldn't go as far as to call ourselves superheroes, only if you insist.

Work with us!

Are you someone who is constantly sleep deprived, in constant need of food, and swears by memes? Then you're almost halfway there. So you've got that spark, love meeting deadlines with outstanding results and believing that the sky is your only limit?

Perfect, then you're the deal for us!

Internstorm is out here looking for the best in their game but also people we can sit down and pass the j (jalapeno fries) with occasionally.

Well, if you fit in and are game, wait no more,

Hit us up with your resume on,
