Dear Neelamber,

Heartiest Congratulations!

We are happy to inform you that your project idea '*Augmented Reality : The Future Interface*' with reference to theme '*Smart City*' and subtheme 'Working towards special needs of the city' has been accepted by us as a model app which will help us in future for developing a full-fledged tourism app covering tourist places in and around Indore.

We are confident that your project will go a long way towards promoting '*Smart Tourism*' in the District.

We sincerely appreciate your very innovative idea and applaud you for all the hard work put into this project.

We wish you great success in all your future endeavours.
