MEHER JETHMALANI

INTRODUCTION

Determined and self motivated student who demonstrates strong work ethic and creative ability. Seeking to apply my media skills in the field and gain practical knowledge to enhance my expertise. Alongside a strong grasping power, commitment to succeed and adaptability, I am exceptionally passionate and eager to learn.

EDUCATION

International School of Broadcasting and Journalism

MIT - Art, Design and Technology University
Bachelors of Arts in Journalism and Mass Communication
Class of 2022

Expected Degree: First Class with Distinction

Vibgyor High International School

High School Diploma - Cambridge A level qualification
March 2019

RELEVANT EXPERIENCE

Untethered Script

An organization that is on a mission to build a community of teenage writers.

- Organized various musical events and workshops locally, gathered artists from all over the nation and sold over 500+ tickets

- Social media management of Facebook, Instagram and Twitter handles - regularly uploading and expanding the reach

PROJECTS

Roof Rules Root

- Shot and conceptualized a documentary on rural to urban migration.

This documentary focused on the different motives individuals have to migrate from rural to urban cities. It led to a first hand experience of talking to people who left everything behind due to problems such as debt, child marriage and casteism.
